## HAPPY SURPRISE

RUSSELL BROWNFIELD IN U. S. NAVY, WALKS IN UPON MOTHER UNEXPECTEDLY

Mrs. George T. Paine of 351 Ivy street had a delightful surprise last week when her son, Russell Brownfield, who is in the U. S. Navy and whom she had not seen for four years, walked in upon her unexpectedly. Since he left her to enter the service of Uncle Sam he has been around the world and seen many strange ports and the vessel that brought him to San Diego was the mine sweeper Avalon. He had expected the ship would remain at San Pedro for twenty-one days but unexpected orders have been received to proceed to Bremerton, Washington, and he may be compelled to leave tomorrow. He has not had a regular furlough but has had several "leaves" which have enabled him to come home and visit his family.

When he left here four years ago at the age of seventeen he sailed for the Philippines. From there he went to Chinese ports, then through the Indian Ocean and Mediterranean to the Atlantic and for fourteen months during the war was stationed at Gibraltar. He was there when the armistice was signed. His ship crossed to New York and since that time has made several trips to European ports. He was also sent with a crew to San Juan, Porto Rico, to release a Northern Pacific transport which went onto the rocks there. In February he re-enlisted for two years as he likes the life in the navy and thinks he would not be very content ashore. He was transferred to the mine sweeper which made the trip through the canal and up the Pacific Coast. On the way he stopped at San Diego which he had never seen before although it is so near his home.

His travels have been to him like a panorama. He has, of course, had no chance to study the peoples of the countries visited by his ship nor to acquaint himself with political conditions. But it has been a liberal education to him all the same, and he enjoys the life.

Mrs. Paine hopes he will be able to come to Glendale tonight before his ship sails for Bremerton, but is not certain that he will be able to make it.

THAD E. YAGER SELLS BUSINESS, BUYS IN FILLMORE

Thad E. Yager has sold his interest in the restaurant and confectionery at 111 South Brand owned by him and J. A. Pope and known the past two and one-half years as "Yager's," to C. O. McGee, who came to Los Angeles a year ago from Memphis, Tenn., with his wife and little daughter. Early in May Mr. McGee, anticipating a business connection in Glendale, which he chose after considerable investigation as the best of the cities suburban to Los Angeles, bought the Woodmansee residence property at 377 Myrtle, so he had a home to move his family into at once.

Mr. Yager has purchased the Orange Leaf Confectionery in Fillmore and will take possession soon. He went up to Fillmore yesterday to try to find a house to live in. He and his wife and little daughter have been living at 1115 Campbell street.

## NOVEL PARTY

MR. AND MRS. JOSEPH PROVIDE PRETTY METHOD OF SELECTING PARTNERS

Mr. and Mrs. Jesse Joseph entertained with an exceedingly pretty dancing party at their beautiful home on the corner of Lexington Drive and Orange street last Saturday evening. Baskets filled with azure larkspur and pink carnations were used in decoration and pale green shades shed a softened light in which gaily-colored balloons were loosed that bore the names of lady guests and each gentleman had to give chase and select as dancing partner the lady whose name was upon the balloon he caught. The program opened with a game called "Bunko," and then came the dancing. Dainty refreshments were served at the close of the evening. Those present were: Mr. and Mrs. Warren Roberts, Dr. and Mrs. R. E. Boyer, Mr. and Mrs. Lou Sherman, Mr. and Mrs. W. E. Evans, Mr. and Mrs. Harry Lockwood, Mr. and Mrs. Frank Kuntzner, Mr. and Mrs. William Nash, Mr. and Mrs. Gibbs, and the host and hostess.

WEATHER FORECAST: Fair except cloudy or foggy tonight and tomorrow morning.

## SAVE THE BOYS

CITY MARSHAL STANLEY SAYS THAT IS OF VITAL IMPORTANCE

City Marshal Stanley recently had a heart-to-heart talk with 25 or 30 boys he found playing in a public place in the very heart of the city, throwing a ball against the wall of a brick business building and endangering the windows. When told they were breaking a law they said to Mr. Stanley: "Where can we play? There's no park, the place where we used to play was taken by the Horseshoe Club and if we try it on a vacant lot near anybody's home we are warned off for making too much noise. If the city will build a gym for us on some vacant lot we'll stay off the streets and be glad to." Capt. Stanley acknowledged the soundness of their reasoning and asked that the Evening News place the matter before the people. He says that from an experience of 36 years as policeman and detective he is firmly convinced that no normal boy with proper home training and a chance to work off his high spirits in wholesome play ever becomes a criminal.

If provided with a place to play after school and during vacations boys will not be tempted to stay out at night and drift into criminality, as has been the case with some Glendale boys in the past few years. Capt. Stanley believes that the wisest investment Glendale's business men and citizens in general could make and the one that would bring the largest real returns would be the providing of a place where boys can play. A step has already been taken in that direction in the action regarding the Tropico playground at the Magnolia School, but that is too far away for the boys of the Central and northern sections of the city. Think on these things, citizens of Glendale, and parents in particular.

## GILBERT EMERY

ACCEPTS POSITION WITH EDISON COMPANY IN SIERRAS AT CAMP 22

Mr. and Mrs. E. U. Emery of 329 North Kenwood street are in receipt of an interesting letter from their son Gilbert who, with a Sigma Tau Fraternity chum, Jack Park, has gone to Camp 22, Big Creek, to accept positions with the Southern California Edison Company. The two boys have been freshmen at U. S. C. and left very soon after school closed, having no chance to say good-bye to their friends. The letter describes their journey over a mountain railroad for which special engines had to be built, so steep are the ascents. Gilbert writes it was like a panorama of peaks and deep gorges as the train wound and twisted through the hills, in following the channel of Big Creek. The camp is near a beautiful lake good for fishing but too cold for swimming. It will be a delightful place in which to spend their vacation and the boys anticipate much pleasure in connection with their employment. Just what that would be they did not know at the time Gilbert wrote.

## STAG BANQUET

"LEFTY" HERMAN ENTERTAINS TWENTY-TWO HIGH SCHOOL ATHLETES

"Lefty" Herman, first baseman on the baseball team of Glendale High, was host Monday evening at a banquet given at the home of his parents on San Fernando Road, at which covers were laid for twenty-two of his team mates and friends. It was served about 8 p. m. at a table beautiful in floral and other appointments. Those present were: Coach Hayhurst, Captain Fred Jenkins, Paul Jenkins, Joe Cummins, Harry Merriken, Andrew McDonnell, Frank McGillis, Kenneth Wilde, Roland Brown, Thomas McNary, Fred Gray, Dale Woods, Stewart McMillan, Dan Campbell, Fred Terzo, Philip Begue, Lee Wise (president of the Student Body), Bernard Dennison, Secretary of Athletics, Roger Dennison, Secretary of State, Clayton Card, Yell Leader Floyd, Elmer and Stanley Herman, and the host. Following the dinner a social evening was spent with music and other diversions.

Two earthquake shocks were distinctly felt in Glendale last evening at almost seven o'clock. The first was the most severe, shaking houses somewhat, but doing no damage to property or person.

## SNIPING RESUMED IN LONDONDERRY

THREE SINN FEINERS SHOT AND POLICE ARE UNABLE TO COPE WITH SITUATION

(Special Service to Glendale Evening News)  
LONDONDERRY, Ireland, June 22.—Three Sinn Feiners were shot today when sniping was resumed on the streets here. Troops were unable to curb the snipers. Two thousand additional troops are now en route for Londonderry from Curragh.

## EARTHQUAKE DAMAGE

WALLS OF SIX BUILDINGS AT INGLEWOOD CAVED IN; THIRTEEN OTHERS INJURED

(Special Service to Glendale Evening News)  
LOS ANGELES, June 22.—Several slight earthquake shocks were recorded here during the night following the 'quake which did serious damage at Inglewood last evening. Some claimed there were as many as nine shocks but no official record was kept. The last shock was at 5 o'clock this morning, according to the weather bureau. All of the later shocks were very slight.

Workmen today began clearing debris from the streets of Inglewood. An inventory of the damage showed that six buildings had been severely damaged having one or more walls completely caved in and that thirteen others had walls partially caved in or plate glass windows destroyed. Numerous residences suffered minor damage.

In Los Angeles a police guard was thrown around the Women's Christian Temperance Union Hall on account of the unsafe condition of a tall chimney which was severely twisted.

Reports today indicated that the damage would exceed the \$100,000 mark.

## THE LIQUOR PLANK

WOMEN DELEGATES TO DEMOCRATIC CONVENTION WILL SEEK TO HAVE IT MADE CLOSED SUBJECT

(Special Service to Glendale Evening News)  
SAN FRANCISCO, June 22.—Mrs. George Bass of Chicago, chairman of the Women's Democratic National Committee, declared today that women delegates to the San Francisco convention will attempt to bring about a settlement of the liquor question which now threatens to cause a convention fight. She says the women will take the position that the liquor question is a closed subject and that they will lay their views before Bryan, leading the "drys" and Edwards, the "wet" leader. They will urge that no plank either for or against prohibition be placed in the platform.

Political managers today began putting "candidate row" in shape. Headquarters have been divided between the Palace and the St. Francis hotel. There are indications that Palmer will make the biggest demonstration. His supporters have arranged many schemes to draw crowds to his headquarters.

## M'ADOO'S WITHDRAWAL INSISTENT

NATIONAL COMMITTEEMAN LOVE DECLARES HE WILL BE NOMINATED DESPITE HIS REFUSAL

(Special Service to Glendale Evening News)  
KANSAS CITY, June 22.—Dr. Burris Jenkins, scheduled to nominate McAdoo at the San Francisco convention, announced he had received a long distance telephone call from National Committeeman Love of Colorado in which he said if Jenkins did not nominate McAdoo, someone else would, despite McAdoo's withdrawal of his name.

NEW YORK, June 22.—William Gibbs McAdoo today sent a lengthy telegram to Burris Jenkins of Kansas City insisting that Jenkins refrain from placing his name before the Democratic convention.

## JAPAN TO PROTEST

AMBASSADOR CONFERS WITH DEPARTMENT OF STATE ABOUT ANTI-JAPANESE LEGISLATION

(Special Service to Glendale Evening News)  
WASHINGTON, June 22.—Japan has made what amounts to an informal protest to the State Department against proposed anti-Japanese legislation in California.

Japan especially objects to the proposal to prevent Japanese from leasing land.

Diplomats here fear serious complications. The Japanese ambassador has had several informal conversations with the State Department on the subject.

It is believed he is paving the way for a formal protest. The ambassador contends that Japan has done all possible to meet objections to Japanese living in this country.

## POPULATION OF PHOENIX

WASHINGTON, June 22.—The Census Bureau today announced the population of Phoenix, Arizona at 29,053. This is an increase of 17,919, or 160.9 per cent.

## CITY W. C. T. U.

POLITICAL MATTERS OF INTEREST TO PROHIBITIONISTS DISCUSSED

The city organization of the W. C. T. U. had an excellent meeting Friday afternoon at the home of Mrs. Harrell Wiggins, 1457 East California avenue. About twenty-five were present. The subject of the program was "Our Uncompleted Task." Under this general heading there was discussion of the Harris Bill and of the different men who are now candidates for U. S. Senatorships. There was also discussion relative to the jubilee fund. The Glendale quota was fixed at \$800 of which only about 50 per cent has been subscribed. The time has been extended and an effort will be made to secure the remainder. This is a part of the million dollar fund for W. C. T. U. work and which is intended to cover the departments of child welfare, health and morality, Americanization, women in industry, education and information, world prohibition, equipment and repair, field service and administration.

The City Union decided to hold an evening meeting July 2d at the Lutheran parsonage to which husbands of members and the Young People's Branch would be invited and at which a patriotic program appropriate to the season would be given.

Following the program and discussions the daughter of the hostess, Mrs. Knieb, sang two solo numbers delightfully to an accompaniment furnished by Mrs. Kuehny. The hostess then served delicious refreshments of strawberries, ice cream and cake, and a general social hour was enjoyed.

## CHRISTENING

DR. WILLISFORD OFFICIATES AT PRETTY CEREMONY AT HOME OF C. H. ANDREW

Dr. E. H. Willisford was called upon to officiate at a rather unusual semi-social affair Sunday afternoon at the home of Mr. and Mrs. Charles H. Andrew, 629 North Maryland avenue, for the christening of their two children, Charles Edward and Jessie May Andrew. Between thirty and forty neighbors and close friends were present at the ceremony which took place on a lawn at the rear of the house, guests having come from Los Angeles, Compton and Long Beach. In connection with the christening a program was given as follows:

Chimes with hand bells.  
Hymn—"I Think When I Hear That Sweet Story of Old."  
Orchestral Number—"The Heavens Declare."  
Vocal Solo—"Miss Gladys Pomfret."  
Baptism—Performed by Dr. Willisford.  
Harp Solo by Miss Andrew.  
Orchestral Number.  
Hymn—"Stand Up, Stand Up for Jesus."

The orchestral players were Ernest E. Andrew, Percy W. Andrew, Amy Allen Andrew, Gwendolyn Pomfret.

Following the program and service, light refreshments were served. Mrs. Andrew is quite an invalid and for that reason desired the service to take place at her home.

## WORLD'S UNREST

SATAN, THE ARCH-ENEMY OF GOD, IS THE CAUSE, DECLARES EVANGELIST PROUT

That the cause of the world's unrest is attributable to no other power than that of Satan, the arch-enemy of God and Christ, was the statement of Evangelist C. S. Prout at the Bible Tabernacle, Harvard and Central, last night.

Mr. Prout, in speaking of the world conditions existing at the present time, read statements from current magazines and papers, written by conservative thinking men, not alarmists, who recognize that the situation is far from reassuring. The speaker said that it was not difficult for any one to know of world conditions, but the question is—what is the meaning of all these things and what will be the end?

He quoted from the twenty-first chapter of Luke where the Lord prophesied His second coming and the conditions existing just prior thereto: "And there shall be upon the earth distress of nations with perplexity; men's hearts failing them for fear and for looking after those things which are coming on the earth."

The evangelist referred to the great controversy between Christ and Satan, the warfare between good and evil which has been in progress ever since Lucifer rebelled against God's government and was cast out of Heaven. This controversy is still in progress, the speaker said, and will continue to increase in power as Satan knowing his time is short, will bring trouble and destruction upon the world in his endeavors to counteract the work of the Gospel of Jesus Christ. "For we wrestle not against flesh and blood but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." Ephesians 6:12.

## DOCTORS LOCATE

HOMES BOUGHT AND PRACTICE OPENED IN GLENDAL BY DRS. C. M. AND C. W. TAYLOR

Drs. C. M. and C. W. Taylor, formerly of Decatur, Ill., have opened offices in the new building built especially for that purpose at 210 East Broadway. The offices are new and modern with every appliance that is up-to-date and the only ones of the kind in Glendale situated on the ground floor. Drs. Taylor have been practicing as physicians and surgeons in Decatur since 1906 and came to California for the reason that they wanted to locate permanently where they could enjoy such climate as Southern California affords. They have moved to Glendale with the full intention of making this their home both of the doctors having purchased residences. They are comfortably located with their families, Dr. C. M. Taylor having purchased the home at 409 Burdett and Dr. C. W. Taylor that at 353 Patterson avenue. Dr. C. M. Taylor spent one year in service in France in one of the largest hospitals, in LeValdehon, France. They are now installed in their offices at 210 East Broadway and have seven rooms completely furnished ready to receive those who may need their services.

### DEATH OF MISS HESSE

Miss Frances Hesse died Saturday night at 11 o'clock of cancer, from which she had been suffering for several years. An operation performed in Colorado two years ago gave temporary relief, but the patient soon grew worse again and a few weeks ago her mother, Mrs. Hannah Hesse, brought her to Glendale, with some hope of relief. But this hope soon faded as the daughter steadily grew worse and the end came as stated. Funeral services are being held in the L. G. Scovern parlors this afternoon, Elder Munson in charge. Interment will be in Forest Lawn. Deceased taught school near Greeley, Col., before her illness and after she came to Glendale received many touching tributes of affection and remembrance from former pupils.

### CHAPTER B. A.

Chapter B. A. of the P. E. O. was entertained Friday for its customary monthly luncheon and afternoon at the home of Mrs. Freeman Kelley on Glendale Ave., Mrs. F. W. Kille being the assisting hostess. It was the annual stunt party of the organization and a very jolly "family affair," no visitors being present. A delicious luncheon was served at a beautifully decorated table, and members are enthusiastic over the good program but will not divulge particulars.

### MRS. M. JUDD GIVES SURPRISE DINNER

Mrs. M. Judd of the H. L. Miller Company's office, gave a dinner Friday evening to eight of her relatives and friends at the Pig'n Whistle. It was a surprise to the guests as each one, when invited, thought the party was simply for herself and the hostess. The decorations were pink sweet peas and pink roses. A regular dinner was served and the table was centered with a handsome birthday cake.

### BAPTIST S. S. PICNIC

Saturday was a great day for the pupils and teachers of the Baptist Sunday School. Quite early two truck loads of happy young people went over to Brookside Park and they were followed during the forenoon by eight or ten autos well loaded with passengers. A picnic dinner was enjoyed at noon and the remainder of the time was spent in games and swimming. Some of the young people stayed and had a picnic supper but got home by dark. Upwards of 100 people attended.

## THE SOMAC

### MISS FRANCES GAUNTLET HONORED BY MEMBERS OF ART CLUB OF G. U. H. S.

A delightful little party was enjoyed Friday evening by members of "The Somac," an organization of students and alumni of the Art Department of Glendale High and their instructors. It took place in the rooms of the Department and Miss Frances Gauntlet, who is one of the most talented graduates and who will soon leave for Japan, was the guest of honor. It was a complete surprise to her and she worked happily with Miss Mueller, the head of the department, and Miss Abbott, her assistant, arranging and planning the decorations for the affair without a suspicion that they especially concerned her. About eighteen were present, the guest list including: Miss Mueller, Miss Abbott, and Misses Frances Gauntlet, Mildred Meeker, Mildred Osmun, Alberta Bertrand, Irene Gervais, Cecilia Lyons, Harriet Williams, Bettie Warner, June Hurlbert, June Goto, Gertrude DuBois, Eloise Francey, Helen Engle, Dorothy Haig, Agnes Thaxter and Emily Blackman.

An important feature of the club session was the initiation of Miss Haig, who as part of the trials of her novitiate was condemned to have a piece of paper pasted over her mouth and over the fascinating little curl on her forehead.

After the meeting members adjourned to the Domestic Science Bungalow dining room which was decorated with posters having a dark blue ground on which white ships of all kinds were sailing. The table was centered with a large dish filled with water to represent a pond surrounded by greenery and flowers. On one side of this body of water were flying the American flag and the flag of California, on the other side the flags of Japan and Great Britain.

After being seated around the table, officers for the coming year were elected and then Miss Mueller, as Mistress of Ceremonies, announced that Miss Gauntlet was the guest of honor and the girls united in launching cockle shells, each freighted with a message of cheer and a lighted candle and sending them across the pond to Miss Gauntlet, who was seated near the Japanese and British flags. She responded and as fast as the messages reached her, read them aloud.

Refreshments were then served in which the same general scheme was carried out, one side of the plate carrying a helping of ice cream in which was planted an American flag, another helping on the other side a Japanese flag and between them stretched an ocean of green jelly in which were macaroon islands.

Music accompanied the feast, the John McCormack record of "When My Ship Comes Sailing In" being played on the victrola. Several games were played and before the girls separated at 10:30 Miss Gauntlet was presented with a handsome "club pin," in palette and brush design, as a parting gift from her friends and fellow club members.

### DEATH OF MRS. GRAY

The death of Mrs. Elizabeth Gray, wife of F. M. Gray, will bring sorrow to her many friends in Glendale. She passed away at her home in Los Angeles Monday night, heart trouble being the cause of her demise. She and Mr. Gray resided in Glendale and managed Hotel Gray for about ten years. She was a native of Illinois and was forty-eight years of age. Three sisters survive her and services are being delayed until news is received from a sister who resides in St. Louis and who is believed to be on the way. The time and place of the funeral, which will be in charge of the Seavern Co., will be announced later.

### WORLD'S UNREST

(Continued from Page 1)

"Satan is not alone in his work but is assisted by his legions of evil angels," said Mr. Prout. "When Satan was cast out of heaven, he took with him a third of the angels. As the number of angelic beings is innumerable, it is plain to be seen that Satan indeed has a host of evil spirits to carry out his designs.

"Christ, in His day, spent much time not only in healing, but in casting out evil spirits or devils from persons who were possessed by them. Satan still works to influence the minds and lives of those who yield to him and through kings and rulers would sway the destiny of the world for destruction, especially at the future great battle of Armageddon spoken of in Revelation 16:14."

Mr. Prout, in his discourse, showed that there are but two powers in the world, Christ and Satan, good and evil, and that every individual is on one side or the other, there being no neutral ground. One is either for or against Christ. The speaker admonished his audience to study their Bibles and see for themselves the truth of his statements and to make the choice now of standing on the right side. He said conditions in the world would not improve but rather would grow worse until all who would serve God are gathered out and the Lord should come and set up His kingdom, which should destroy all other kingdoms and powers and bring in a reign of

peace forever. "Though troubles and trials usually come to those who reject Satan and choose Christ, the power of God is sufficient to sustain every child of His and when Satan and sin are destroyed, God's people will have a part in the everlasting kingdom," were the concluding remarks of Mr. Prout. The evangelist makes the Bible prominent, using many texts and giving the references, so that all who wish may write them down for personal study. He expressed his appreciation of the interest manifested by all and the courtesies accorded his work by the editors of the Glendale papers.

### OPERA STARS IN POPULAR SONGS

Rosa Ponselle, whose dramatic soprano has thrilled many New York Metropolitan Opera House audiences, sings that simple love song "Values" for Columbia Records this month. Her interpretation of this ballad is just as vivid as if she were singing some great soaring opera aria.

Margaret Romaine, New York Metropolitan Opera Company star, has made Columbia Records this month of two ardent messages of love. "Your Eyes Have Told Me So" and "Deep in My Heart" are worthy of her operatic soprano.

The New York Metropolitan Opera House Orchestra under the direction of Giuseppe Bamboschek plays selections from "La Traviata" for Columbia Records. There can be no better interpreters of these beautiful opera airs than these artists with their years of experience.
